Delivery note / MIGMA for repair

quantity	description
1	MIGMA mixing device serial no.: _____

short description / Details of authorized dealer (Repairs can only be charged via an authorized dealer):

REPAIR RELEASE

- A repair up to a maximum amount of EUR 600.-- will be released!
- Cost estimate requested, cost estimates are charged with EUR 200.--

Repairs costing up to a maximum of 600 euros will be carried out directly

Our experience shows that most repairs incur costs ranging from 300 to 500 euros. If damage exceeding 600 euros is detected during the initial inspection, we will promptly contact you to discuss a solution together.

Upon your explicit request, we would be happy to provide you with a detailed cost estimate.

The cost for the cost estimate amounts to 200 euros and must be charged separately. Please note that these costs cannot be offset against any potential repairs. Transportation costs will be invoiced separately and amount to approximately 40 euros. Without any contrary notification from you, we will begin the repair process upon receipt of the device to ensure that you receive your device back as soon as possible. We are committed to providing you with outstanding service and look forward to returning your MIGMA device to you in an almost new condition.
