Short error description:

REPAIR RELEASE

☐ A repair up to a maximum amount of 600 CHF will be released

☐ Cost estimate requested, cost estimates are charged 200 CHF

Repairs costing up to a maximum of 600 CHF are carried out directly.

Our experience shows that most repairs cost between 300 and 500 CHF. If damage in excess of 600 CHF is detected during the incoming goods inspection, we will contact you immediately to discuss a solution together.

At your request, we will provide you with a detailed cost estimate.

The cost of the estimate is 200 CHF and must be charged separately. Please note that these costs cannot be offset against a possible repair. Transport costs will be invoiced separately and amount to approx. 30 CHF.
