

MIKRONA MAINTENANCE PLAN

RELIABILITY AND SERVICE
WITH A WELL-THOUGHT-OUT
MAINTENANCE PLAN.

MIKRONA+

BENEFITS TO YOU

GREATER RELIABILITY THANKS
TO TARGETED PREVENTION.

MINIMIZE DOWNTIME

Opt for a periodic service, giving you the assurance that you can dedicate yourself to your patients without any unwanted incidents.

PROTECT YOUR INVESTMENT

Make an essential contribution towards protecting your investment in practice equipment by taking out our maintenance plan.

CUSTOMER SATISFACTION

Efficient workflows increase the satisfaction of your patients and firmly establish a positive customer relationship.

OPERATING COSTS

Plan your incidental operating costs in advance with the Mikrona maintenance kit developed specifically for the product.

ORIGINAL PARTS

You are guaranteed that only original parts are used for the maintenance of your product.

QUALITY MANAGEMENT

Integrate the detailed maintenance log easily into the quality management system for your practice.

THIS IS WHAT YOU CAN EXPECT

Visual inspection of the unit

A certified expert visits your medical practice, to inspect the Orthora 200 on site.

Mikrona checklist

All functions are checked for performance, step by step, using a detailed checklist.

Mikrona maintenance plan

Key components and those subject to regular wear and tear are replaced according to the Mikrona maintenance plan.

Safety inspections

We recommend a periodic inspection specific to your country in accordance with DIN 62353.

THE PROCEDURE - SIMPLE AND CONVENIENT

FIND OUT

Find out about the maintenance kits under Service on our website. Here, you'll find all of the information about our services and you can select a maintenance plan that meets your needs.

CONTACT

In the Service area on the Mikrona website, you'll find an online contact form, where you can enter your information. We process this for you and send it to your dental specialized dealer.

RECEIVE OFFER

Your personal dental specialized dealer, who will also carry out the periodic maintenance, contacts you with an offer that is customized to your needs.

WORK WITH NO WORRIES THANKS TO PROFESSIONAL SERVICE

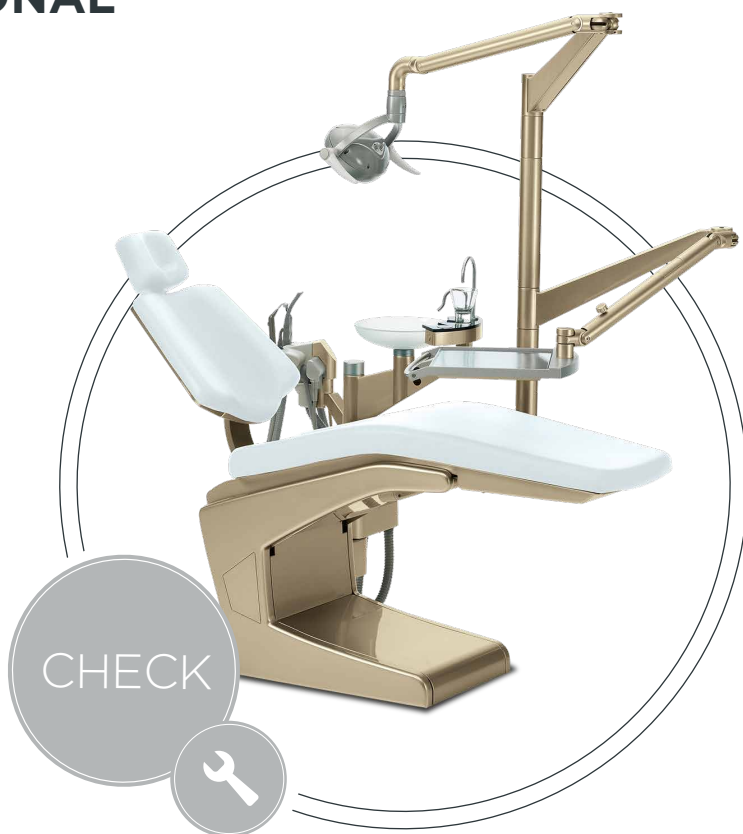

WITH PERIODIC CHECKS TO
ENSURE FUNCTIONAL RELIABILITY.

PROFESSIONAL MAINTENANCE

With annual checks, obvious and hidden faults are detected at an early stage.

ORIGINAL SPARE PARTS

Original parts installed by experts guarantee functional reliability as well as compatibility.

MAINTENANCE KITS IN THE MIKRONA MAINTENANCE PLAN

OUR MAINTENANCE KITS INCLUDE A BASIC KIT PLUS YOUR
CUSTOMIZED INSTRUMENTATION.

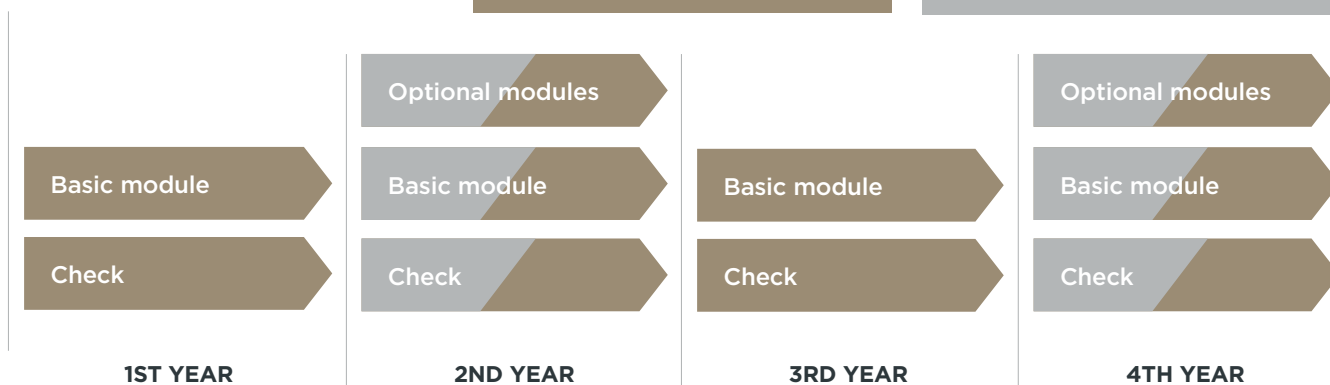

PREMIUM MAINTENANCE

PRO MAINTENANCE

The scope and content of the Mikrona maintenance plan is the result of many years of practical experience.

- Top service: comprehensive inspections and maintenance
- 4-year maintenance plan
- Annual inspection and check with a yearly basic kit in each case

- Alternative economy option: basic inspections
- 4-year maintenance plan
- One check with maintenance kit in years 2 and 4

SPARE PARTS AND UPHOLSTERY

SPARE PARTS

Only original parts are used in a Mikrona maintenance kit. This allows us to guarantee long-lasting performance with top quality as always.

UPHOLSTERY

Upholstered parts are subjected to high stresses every day, such as changes of patients, clothing accessories, hair gel or disinfectants. Therefore, you have to ensure that the upholstery is changed regularly.

The Mikrona upholstery collection currently comes in a range of 26 fashionable colors. Breathe new life into your practice with new upholstery.

Create your own combinations in the Mikrona world of colors:
